Phishing Email Training Course

Description

Phishing Email Training

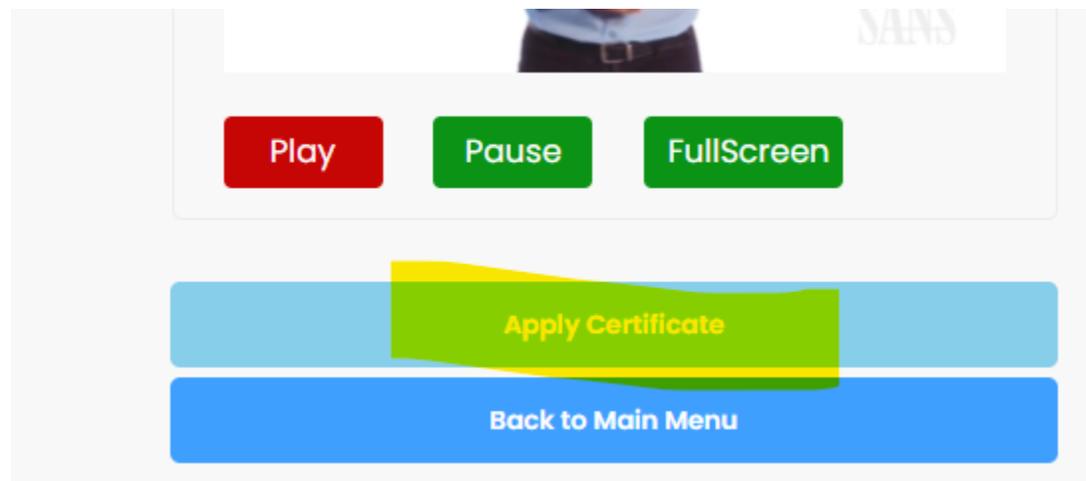

Apply Certificate

Back to Main Menu

You cannot fast forward through the training session. You must watch the session in its entirety. If you leave the training session it will start over.

After the video is completed, click on “Apply Certificate”

Each course may or may not have questions. If no questions, you will then receive a certificate of completion in your email.

If there are questions, you will then be taken to the test part of the session.
